FOOTBALL

SEA GULL STYLE

Football has arrived on campus (in case you didn't know) and everyone is clamoring for more information — who are we playing — when do we play — where — when can I get tickets — how much do they cost, etc.

First of all — the team looks good. After spring practice for upperclassmen and summer camp for both freshmen, transfers and upperclassmen, the first scrimmage was held on Saturday and the Sea Gulls gave a good account of themselves against a tough Baltimore Community team. We're looking forward to an exciting season.

Here is the 1972 schedule. Clip it out and post it somewhere in your room or home.

SAT. SEPT. 16	Swarthmore (Scrimmage)	Away	3 P.M.
FRI. 19	Towson J.V.	Away	3 P.M.
SAT. OCT. 7	Gallaudet	Away	1 P.M.
SAT. 14	Madison	Home	8 P.M.
SAT. 21	West Point Prep	Away	1 P.M.
FRI. 27	Johns Hopkins J.V.	Home	8 P.M.
SAT. NOV. 4	Trenton (N.J.) State J.V.	HOME	COMING 7 P.M.

(Information concerning the hours a ticket office will be open will be printed in a subsequent Newsletter.)

EMPLOYEES OF COLLEGE — All employees and members of their immediate family (spouse and children) may be admitted to home games through reduced ticket purchases. Following is a price schedule for these tickets.

Reserved Season Tickets — Should be requested on applications by September 22, 1972. May be purchased at \$5.00 for the three (3) home games, receiving priority over the general public.

Single Game Reserve Tickets — May be ordered now through September 22 to each home game at \$2.00 per ticket. Reserve tickets may be purchased at the reduced rate after September 22 as long as the supply lasts.

General Admission Tickets — May be purchased, also, at half price during the week of each game. These tickets will be priced at \$1.00 for adults and \$.50 for children.

All reserved football tickets for employees of the College and general public will be ordered at the Public Relations Office, Room 101, Holloway Hall. Ticket Office Hours for placing orders are from 1 to 4 p.m. each weekday.

Art Show Set

Drawings, paintings, and prints by Jon Eaton and Ralph Logan, two Washington area artists, will be featured at the SSC Art Gallery from October 1 through October 20.

Jon Eaton, who describes himself as "a guy who makes art and stuff," also works as a free lance photographer. In preparation for the exhibit he visited the Salisbury campus, snapping pictures of students, faculty and staff. A number of these photographs are in the show.

Logan's paintings are all abstract. Again and again, he uses the same compositional elements—patterns of diamonds, squares, and circles—arranging these in different combinations and employing different colors.

During the second semester of last year, and during the past summer, the Dean of Student's Office, with the assistance of several students, reviewed the existing policy at Salisbury State College regarding consumption of alcoholic beverages on campus. LIVE SEA GULL

On October 14, at Wicomico County Stadium, Salisbury State College will preview its fine feathered creature. Never before has SSC had a mascot at any of its athletic events.

Outfitted in maroon and gold with feathers and a Sea-Gull beak will be Senior Maurice Egnor. Maurice is 22 years old and an Elementary Education major.

When Maurice was at the University of Maryland, he always wanted to be the Terrapin, but he couldn't get the job. So when he transferred to Salisbury, Maurice noticed we had no Sea-Gull for a mascot. He wanted to help cure the situation. He contacted some of the members of the football team and they liked his idea.

So thanks go to Coach Deane Deshon and Coach Richard Yobst for SSC's first Gull. But look out — Coach Maggs says Maurice will never get off the ground.

SSC HOCKEY LOOKS BIG IN '72

The Women's Field Hockey teams coached by Miss Harvel are looking forward to a good season again with 9 varsity players returning and many potential J.V. players from last year. Seniors returning are Becky Cathell, Suzanne Duncan, Judy Price, and Mary Jane Shoemaker. Juniors with 2 years experience are Denise Condon, Pat Engleman, Susan Grudis, Franki Robbins, and Chris Statler. The other players making up the varsity squad are Pat Coward, Donna Moore, and George Ann Wingrove.

Besides having the experience of playing together for 2 or 3 years, the team should also benefit from the fact that many of the women attended the Mt. Pocono Field Hockey camp in Pennsylvania during summer vacation. They were coached by U.S. and English field hockey players.

Not only the varsity team looks good, but the J.V. team has many returning players and freshmen with potential. Miss Harvel said the J.V. team looks much stronger than it has in the past years.

Although there is plenty of tough competition such as University of Maryland, Frostburg, and Towson, Miss Harvel is looking forward to the best season.

Student support for the football Sea Gulls was tremendous in the first home game against Madison College and is indicative how well the Salisbury State student body is getting behind our new football team.

With the success of the entire football program, interest in the team is still growing by leaps and bounds. We suggest that you get your ticket early for both the Johns Hopkins Game on 10-27 and the Homecoming Game on November 4, against Trenton State JV.

READING FORUM

On October 28, at 9:00 in Holloway Hall, five specialists in the field of learning disabilities will convene to discuss reading problems. These speakers have a range of experience — two are directors of child diagnostic centers, one is the chairman of the Governor's Commission on Dyslexia, and two are university professors who are concerned with special learning disabilities. They will each give speeches that are of fundamental importance to anyone concerned about reading problems in school children. Teachers, concerned parents, and future teachers will all gain from this forum.

Faculty and students may attend the forum for free. However, if they wish to receive copies of the speeches and vitae, they must register for the forum for \$1.50 in Rm 268A, Holloway Hall, or at the door the day of the forum.

A luncheon will also be held at Bennett Jr. High at 12:00 for \$1.50. Reservation for the luncheon should be made by Oct. 20.

Free Tickets for Plays

The College Players of Salisbury State announce the opening of the 1972-73 season with the musical production of GUYS AND DOLLS, to be presented November 8, 9, 10 and 11.

All College faculty, administration, staff, and students are entitled to free tickets which may be picked up in the Student Union during the week prior to the show or from the Switchboard Office in Holloway Hall, upon presentation of ID's.

NOTE: Students are entitled to one free ticket per play. Faculty, Administration and Staff are entitled to two free tickets per play.

IGOR KIPNIS Harpsichordist

IGOR KIPNIS, son of the famous Metropolitan Opera basso, Alexander Kipnis, will appear at SSC on Sunday afternoon at 8:30 p.m. in Caruthers Hall. He received his first piano lessons from his grandfather, the noted Chicago composer and pianist Henriot Levy.

Mr. Kipnis studied at Harvard University. It was here, under the tutelage of the American composer Randall Thompson, that he became fascinated by the music of the Baroque period. Subsequently, he made an extensive study of Renaissance and Baroque styles under Thurston Dart, among others, and he is now a recognized authority in this field.

Mr. Kipnis has appeared in recitals and as soloist with orchestras both here and abroad. His harpsichord is an eight-foot, two-manual concert grand instrument.

The program is strictly informal. Wear your jeans and bring a blanket to sit on the floor. You'll enjoy the show!

MUSIC FILM

The Music Dept. will hold a Music Film Night on Thursday, October 19 at 7:30 p.m. in the Musical Arts Center. The feature film will be "Jazz in the Concert Hall" with Lennie Bernstein and Gunther Schuller. There will also be selected short subjects on the program. Everyone is invited.

PSYCHOLOGY CLUB EVENT

The Sunshine Company will present several unique things to our College October 19, 8 P.M. in CH Auditorium. Included will be short sketches depicting roles which occur in society today. The Sunshine Company is a very involved youth community service whose members give their time for such activities as a telephone 'hotline' and a 'walk-in' service in the Silver Spring-Colesville area. Everyone is welcome to attend.

Students Shape College Life

Shortly every student will be asked for his personal evaluation of applicable aspects of the college program: Academic, cultural, social and recreational. In the last research class, interested Sociology students conducted an open-ended, exploratory survey of student opinion with a 4 percent, random sample of full-time students.

The results indicated that the majority of the students in the sample had seized the survey to tell the faculty and administration what they, as students living and working in the programs, liked and did not like about the College, even as they used it as a means of making their own suggestions for change.

On receiving the report the sponsors, President Crawford, Dean Erskine, and Dean Robinson, were impressed, and so convinced that the students wanted to take part, that they authorized an expansion of the study to include the total student body.

Currently the survey questions are being tested and edited. As soon as they are ready, they will be distributed to the entire student body so that each registering student can help shape the life of Salisbury State College.

Change in Art Gallery Schedule

There will be two major changes in the Art Gallery Schedule for the 1972-73 school year.

Dan Kuhne, originally scheduled for a two-man show with Lenny Cave, will be replaced by F. Matthew Blaine. The dates for the Cave-Blaine show, October 22 through November 10, remain the same.

There will be no show during the period January 17-31, for which Mr. Blaine was originally scheduled.

BULLETIN

PRINCETON HERE!

Salisbury State has booked Princeton University Freshmen to substitute for Trenton State JV, it was announced at Newsletter press time.

Trenton State called late Monday to cancel the Homecoming contest Saturday night as a result of its squad being depleted to 19 players, injuries, and moving up to varsity competition. Trenton said it felt that it couldn't make a reasonable contest with such a small squad, knowing how outstanding a start SSC was making and with the lopsided contest so far in the season.

Coach Yobst sees the change as a challenge and more consistent with the Sea Gulls' progress and outstanding record. "Princeton will be tough," he said. "They've beaten Rutgers and lost to powerhouses Navy and Penn," he added.

Get your tickets for Princeton today!

IMPORTANT:

Program Planning for the Spring Semester will take place next week, November 6-10. Be sure to see your advisor so that he may keep a record of the courses you take. Any questions? See Sallie Moniot, 103HH.

Nov. 4 Dance

The November 4 Dance, featuring "Cherry Smash" at Delmarva Convention Hall (10 p.m. - 2 a.m.) is open to all full-time students.

You may pick up a free ticket of admission to the dance, by presenting your ID card at the SAB ticket booth located in the Memorial Student Union.

The Booth will be open daily 11 a.m. - 1 p.m. and 6 - 7 p.m.

Blood needed

Students are paid \$20 for donation of one pint. All donors must be at least 18 years of age, weight at least 110 lbs. and not using continuous medication. Sign up in Dean Yobst's office, 107HH.

Election Day

On Election Day, November 7, classes will be held as usual in order that the College meet with accreditation requirements concerning class hours per credit hour.

In order to allow students to vote - and the College encourages their participation in the elections - all students who miss classes on November 7 will automatically have their absences treated as excused absences. (See Student Handbook, p. 35 [II,C])

As a result, I strongly encourage faculty not to schedule exams or quizzes on Election Day.

As is the case with all excused absences, the work missed must be made up, and the student is responsible for material covered in class.

Academic Dean

Hungry Mother's

On November 5, 1972 at 8 o'clock, the SAB coffeehouse, "Hungry Mother's" will present Mr. Bill Haymes. This Sunday night mini-concert will bring SSC's homecoming to a close. It will be held in the Dining Hall and will last about three hours. There is no cost involved in seeing this great artist. Bill is just out of the Navy and has been playing a major college tour through Texas. He will be playing at the University of Delaware the following week. He has also made numerous appearances in the Baltimore area. Remember, that's Sunday night at 8. Bring a blanket or a pillow if you feel so motivated.

Students with children...

Need a babysitter during classes? I am looking for people who are interested in the convenience offered by an on-campus day nursery. For details contact: Yvonne Vieyra, Rm 106, Administration Bldg. or call Ext. 273.

Miss Peggy Stevens of Snow Hill and Miss Debbie Schisler of Salisbury were recently recommended to the Danforth Foundation for graduate scholarships. These candidates were selected for their academic performance and teaching potential by a special campus screening committee involving Drs. Gary Anderson, William F. Standaert, and Robert L. Starnes and chaired by Dr. M. G. Les Callette, Danforth Liaison Officer.

Faculty & Archives Conf.

Four members of the Salisbury State College History and Political Science Departments will be attending a Conference on November 9 and 10 at the University of Delaware, Newark, Delaware.

Attending the National Archives Conference on the Use of Audiovisual Archives as Original Source Materials will be Mrs. Sylvia Bradley, Dr. Winifred G. Helmes, Mr. Harry Basehart and Dr. Millard G. LesCallette.

Art Dept. News

Salisbury State students now majoring in Liberal Studies may become eligible for Maryland certification, enabling them to teach art on the secondary level.

This semester over twenty students have inquired about the possibility of making Art their center of concentration. The Department will offer two new courses in order to meet Maryland State Certification Requirements for the Secondary Schools. These new offerings will be: (1) Methods and Materials of Art on the Secondary Level, and (2) Directed Student Teaching. Thirty semester hours of Art will be required for state certification.

Anyone interested in this new program is asked to come by the Art Department Office, Room 105—East Wing, Holloway Hall, for additional information.

This expansion is another step in meeting the needs for an inviting and expanding curriculum for the students, College, and community.

Rotary Awards

For Foreign Study

The Rotary Club of Salisbury is seeking young men and women as candidates for Rotary Foundation educational awards for study abroad in 1974-75.

Four types of educational awards are offered by the Foundation: Graduate Fellowships, for those between the ages of 20 and 28, with a Bachelor's Degree or equivalent; Undergraduate Scholarships, for those 18 to 24 with a minimum of two years of university level work but without a Bachelor's degree; Technical Training Awards, for those 21 to 35 with a secondary education and at least two years' working experience; and, Teachers Awards for those 25 to 50 who have been engaged as fulltime teachers of the mentally, physically or educationally handicapped for at least two years at the time of application.

Each award covers round-trip transportation, educational and living expenses for one academic year, and, if necessary, funds for intensive language training.

The Rotary Foundation is a non-profit organization supported by contributions from Rotarians and Rotary clubs in 149 different countries. Since 1947, the Foundation has awarded more than US\$14 million for its various programs, and more than 5,000 young men and women have gone to countries other than their own for a year of study.

Further information about these awards is available from Dean of Students, Room 109, Holloway Hall.

COME TO THE BANDORAMA

Did you miss the three home football games of Salisbury State College this year? Were you at the concession stand buying a hot dog and soft drink during the halftime show? If you were there, did you enjoy the halftime presentations by the SSC Marching Band? If you fit two of the above categories and didn't hear the band, don't fret — you have another opportunity.

On Monday evening, November 13th, the "Sounds and Sights of the Stadium, 1972" will be presented by the SSC Marching Band, Majorettes, and Cheerleaders. This "Bandorama" Concert will be held in Holloway Hall Auditorium and will feature all of the halftime selections performed this season as well as several pep songs and cheers.

Indoor concerts don't often include music from the marching band repertoire and for those of you who do not attend, chances are that you will miss an exciting treat, one that only comes once a year. Reserve Monday night, November the 13th at 8:15 p.m. for Holloway Hall and the 1st Annual SSC "Bandorama."

Consultant Here!

Mr. Max Andrews, Program Consultant for the new Student Union, will be on campus Tuesday, November 14, for the purpose of interviewing students regarding what they see as the requirements for the new Student Union Building.

Mr. Andrews will be in the Memorial Student Union Snack Bar 10:30 a.m. until 12 Noon and between 2:30 and 3:30 p.m. Other times during the day, he will be meeting with various groups on campus.

Art Profs Exhibit

Kent Kimmel and James Burgess, Assistant Professors, Salisbury State Art Department, have work being exhibited at Montgomery College, Rockville, Maryland. This invitational exhibition consists of works by other college faculty members from Virginia, D.C., and Maryland. The show is in the Art Department Gallery, Montgomery College, Rockville, Maryland, November 5-22, 2-5 p.m. daily.

Air Force ROTC

... in the News

Captain Cleveland Simpson and other members of the Air Force ROTC Department of UMES will be on campus Thursday evening, November 16, to discuss the AFROTC program with freshmen and sophomores interested in knowing more about it and about career opportunities as Air Force officers. The meeting will be held in Room 11, Caruthers Hall, beginning at 7:00 p.m.

Open to both men and women who qualify, the program includes a summer camp experience at the end of the sophomore year and includes 12 semester hours of elective credit toward graduation during the junior and senior years. Those entering the program receive an allowance

of \$100.00 per month during their final two years in college plus a similar allowance while in summer camp. Upon graduation, the student receives a second lieutenant's commission in the Air Force.

To qualify, applicants must successfully complete the Officer Qualifying Test, pass the Air Force physical examination and maintain a 2.0 average. The Officer Qualifying Test — which is similar to the SAT — will be given on campus free of charge in late November to those interested beginning at 8:00 a.m. For further information, contact Mr. Bachman in CH-23 or call Captain Simpson at UMES (Phone 81-651-2216).

A Trip to "ISLAM"

"Allahu akbar!" (God is most great.)

The call to prayer from the minaret welcomed the Salisbury State College class on Islamic Civilization to the midday service at the Islamic Center in Washington, D.C., on November 5. Inside the mosque, decorated with Egyptian inlaid ivory and ebony, Persian rugs, Turkish tiles and other gifts from various Muslim countries, the students observed the traditional prayers identical to those performed by some 700 million Muslims around the world. The students discussed the service and other aspects of Islam with the staff of the Islamic Center and toured the library and educational center as well as the mosque.

The Persian exhibit at the Freer Gallery highlighted traditional splendors of Islamic art.

"Islamic Civilization" is taught by Richard E. Green, Instructor in History. Mr. Green, who received his M.A. in history and Middle East Institute Certificate from Columbia University, has studied in Turkey four times, once as a Fulbright fellow. Next semester he will offer a course on the Ottoman Empire. Persons interested in future programs and trips related to Islamic civilization and Middle East history may contact him through Salisbury State College.

African Art

"Porro" society mask, of wood, paint, and nails, from Africa's Ivory Coast

An exhibit of African, Oceanic, and Pre-Columbian art is currently on view at the SSC Art Gallery. The show will run through November 29. Gallery hours are Sunday through Friday from 2 to 4 p.m. and Monday through Thursday evenings from 7 to 9.

Traditional tribal artists value skillful workmanship and handling of details. A distinguished tribal artist, however, creates objects which reveal original skill and beauty, besides being modeled after traditional and venerated examples.

Some objects in this exhibition are ceremonial. Tribal artists might take a simple knife and, with precious stones and metals, produce an object used in ritual sacrifices. African masks do not function as decorative objects but rather as containers for a spirit. This function contributes a significant part of the work's visual impact.

Other objects in this exhibition are ornamental. Bow and stern parts of a seagoing canoe include intricately carved figure heads, shield ornaments, and relief panels, and a Pre-Columbian storage vessel displays relief sculpture and painted patterns.

Even in flights of creative fancy, these artists made functional objects, only rarely making a work of art for art's sake. Today, where life is still based on traditional clan structures, this principle of artistic intent continues.

This exhibition was organized and is being circulated throughout the state of Maryland by The Baltimore Museum of Art in cooperation with the Maryland Arts Council.

Air Force Officer's Qualifying Test — December 4

The Officer's Qualifying Test for admission to the advanced Air Force ROTC program will be given on-campus on Monday, December 4, in Caruthers Hall, Room 15, beginning at 8:00 a.m. The test will continue until approximately 4:00 p.m. with a one hour break for lunch.

Students planning to take the test are requested to inform either Mr. Bachman's office, Caruthers Hall, Room 23, or the AFROTC office at UMES (Ph. 651-2216) not later than Friday, December 1. There is no charge for the test and students taking it are under no obligation to the Air Force or the AFROTC program. Absence from classes for those taking the test will be excused by Dean Robinson's office if requested.

The Officer's Qualifying Test is similar to the SAT but may be taken only once during a twelve-month period. The test is normally administered twice each year and will be given again in February. Successful completion of the test, the subsequent physical exam, and the summer camp experience establish the student's eligibility to enter the advanced AFROTC program which begins with the fall semester of the junior year. BASKETBALL 1972-73

The season's basketball opener is near at hand and I would like to alert our loyal student body to a few items.

First of all, students with ID cards will be admitted at the front doors or through the entrance at the rear of Tawes Gym (women's side only). Faculty with passes will also be admitted at either of these entrances.

In keeping with our reputation for being good hosts, we must continue to exhibit conduct at our games that reflects favorably upon our college and student body. Specifically, I would ask you all NOT to bring noise makers to the games and to act toward our opponents as you would expect their basketball crowd to act toward our team.

Please do NOT bring drinks into the gym, and there is a NO smoking rule in effect in the main arena.

Enjoy yourselves as you support our team's effort during the season, but let's be good sports at the same time. Thank you.

Chorus and Band Concerts

The Vocal and Instrumental Music Departments of SSC will present consecutive concerts this week at the college.

The Annual Christmas Concert of the College Chorus will be held on Tuesday, December 12 at 8:15 p.m. in Holloway Hall Auditorium. In addition to the chorus, the program will include the Madrigal Singers whose director is Amy Sherman, a senior elementary education music education major; the Peninsula Chamber Ensemble made up of students and people from the community, directed by Virginia Russell of the Music Department faculty; and the Women's Community Chorus, also directed by Mrs. Russell.

The program will include old and new Christmas music, some sacred and some secular. The major work is Purcell's "Behold, I Bring You Glad Tidings" for contralto solo, two choruses and string orchestra. The soloist is Amy Sherman and the conductor is Ray H. Zeigler, Jr. of the Music Department faculty, who is also accompanist for the College Chorus.

The Women's Chorus will be accompanied by the chamber orchestra. The program will conclude with the singing of familiar carols in which the audience will be invited to join. The program is under the direction of Dr. Jessie L. Fleming, Chairman of the Music Department and conductor of the College Chorus.

The College Concert Band and Stage Band will perform Wednesday, December 13 at 8:15 p.m. in Holloway Hall Auditorium. The 30-member Concert Band will explore the musical spectrum of a British march, a contemporary "tone poem," highlights of a "Fantastick" Broadway Musical, and one of the finest collections of seasonal hymns and tunes in Leroy Anderson's "Christmas Festival."

The Stage Band will play several selections in the modern jazz-rock idiom, an old favorite, "Harlem Nocturne," a Carpenter's hit, "We've Only Just Begun," and the theme from Johnny Carson's "Tonight" show. The conductor of both instrumental groups is Mr. Charles F. Smith, Jr., of the music faculty.

All who are interested in the cultural presentations of SSC to the community are encouraged to attend either or both of these programs.

News from Dining Hall

Annual Christmas Dinner will be served on Tuesday, December 12, between 4:30 and 6:30 p.m. As a result of exam schedules, breakfast will be served on December 16, between 7:15 a.m. and 8:45 a.m. Dinner on December 16 will be from 4:30 to 6:30 p.m.

Effective 12/4/72 faculty, staff, students and their guests may purchase individual meal tickets in the Dining Hall. Prices are: \$.75 for breakfast, \$.75 for lunch, \$1.75 for dinner.

Children's Art Show

A children's art show of about 80 works in various media — watercolor, tempera, chalk, crayon, fingerpaint, pencil, and cut paper — will be on display in the SSC Art Gallery during the period December 3 through December 20.

Special viewing hours for this exhibit will be 9 a.m. to 9 p.m. Monday through Friday and 1 p.m. through 5 p.m. on Sunday.

The various works are informally hung on brightly colored paper and related works are grouped together, so that the viewer can compare different children's interpretations of such traditional subjects as houses, landscapes, animals, and Christmas. Some of the works are boldly and energetically executed with colors and figures extending over the entire page. Others are much more restrained, with small-scale figures and large, expressive empty areas.

Trip to London

A reminder that there will be a preliminary meeting at 4:00 P.M., January 29 in Caruthers Hall Auditorium, for all those interested in the two-week London trip, May 14-28. Other meals and passport are not included.

Impressive SSC Theatre Season

The Salisbury State College Theatre will open the spring season with William Gibson's enduring success *THE MIRACLE WORKER*. Dr. Leland Starnes, the director of the much acclaimed musical *GUYS AND DOLLS*, is directing the show. Robert Cloyd who designed the outstanding sets for *GUYS AND DOLLS* is designing the production. The show will run from March 2 through the 5th beginning at 8:30 P.M. in Holloway Hall Auditorium.

THE MIRACLE WORKER, being a true story of a teacher, Annie Sullivan, and her struggle to teach a deaf and blind child, Helen Keller, to talk and to survive in this world, appeals to and is understood by children as well as adults. School teachers are invited to bring their classes to a special matinee performance on Sunday, March 4, at 2:30 P.M. Special group rates will be offered for classes at all performances, and teachers will be given a study guide of the play in order to brief their students. After the performance, the students and their teachers will be invited to stay for a discussion of the play with the cast and director. If any teacher is interested in bringing a class to the matinee performance, they may do so by contacting Dr. Starnes at Salisbury State College.

The second show of the spring season will be *COLLISION COURSE*, a series of hilarious comedies with everything from farce to satire by such famous play-

wrights as Julius Feiffer, Jean-Claude van Itallie (author of *AMERICA HURRAH!*), and Sam Shephard. The show will involve considerable music and dance, and runs from April 11 to the 14th.

The last production of the season scheduled for May 3 to the 5th will be another show directed by a student. The show, to be chosen from the works of Beckett, Albee or Ionesco, will be announced at an early date.

On March 9 and 10, the College Players, the student organization in the theatre, is sponsoring the second high school Drama Festival. The Festival will allow drama classes and clubs in the secondary grades to "do their thing." All junior and senior high schools on the eastern shore are invited to participate whether by bringing a production or as observers. Any school not yet contacted who would like to enter the Festival may do so by contacting Dr. Starnes at the College. The productions are limited to one-acts, and this year participating groups can buy meals for their group on campus. The Festival is not competitive, although critiques are given by the Salisbury faculty following all plays.

The College definitely promises another fine selection of productions designed to entertain and instruct. With Dr. Starnes and Robert Cloyd behind all productions, the College promises the public an exciting spring season in the theatre.

In a report of the Retreat to Dean Erskine and President Crawford, the chairmen made some recommendations and asked for information. The chairmen plan to hold Retreats each semester.

Children's Drama Enriching Experience

Salisbury State College will again offer classes in Creative Dramatics for children.

Dr. Robert J. Wesley, Chairman of the Speech and Theatre Department, says that as a result of the success of classes last summer and the enthusiastic response, the classes will be held again this semester.

If you have a child, age five to ten, he or she may be enrolled in the classes which are designed to enrich the emotional and intellectual development of children through their play activity. Through the use of dramatic techniques, a teacher can help children not verbally proficient to become more self-expressive, and can encourage children to learn by doing instead of solely by reading, by writing, and by listening.

Creative dramatics refers to scenes or stories performed by children with improvised action and dialogue under the guidance of trained teachers. The primary aim is the developmental experience of creating, rather than achieving artistic perfection or entertaining an audience. As such, creative dramatics has tremendous potential for teaching the child for whom the printed word or the conventions of the established school program have small meaning.

Classes will be held each Tuesday afternoon from 4:00 P.M. until 5:00 P.M., beginning February 6 and ending April 17. The enrollment fee is \$3.00 per child. Anyone interested in enrolling a child between the ages of five and ten, should contact Dr. Wesley at the college.

Children's Dance Lessons Continue

The Modern Dance Club is continuing Children's Dance Lessons for the children of faculty and administration. The class will meet once again on Wednesdays between 4 and 5 and 5 and 6. The 4:00 class will be for children between the ages of 5 and 8 and the 5:00 class will be for children between the ages of 9 and 11. The fourteen-week course will be \$20.00 and anyone interested should contact Miss McNamara as soon as possible. (Ext. 293 - Room 12A-CH)

The Modern Dance Club has changed its meeting time to Mondays between 4:00 and 6:00 PM. Anyone interested please attend!

Experience, A Good Teacher

Salisbury State's Women's Volleyball was in the national collegiate sports spotlight last week.

The Women's team received a "wild-card" bid as a result of its fine season record of 16-1, to compete in the National Women's Collegiate Tournament at Brigham Young University, Provo, Utah, from Feb. 1 to 3.

Coach Peggy Heuser's team ran up against some national university powers and lost five games. They were: Springfield (Mass.) College, 15-3, 15-8; Lamar University from Beaumont, Tex., 15-1, 15-10; University of Illinois at Chicago Circle, 15-2, 15-5; UCLA, 15-1, 15-3 and Bible College of Hawaii, 15-5, 15-8.

"No one wants to lose," Miss Heuser said today. "However, I can honestly say that never in my coaching career, have I gained more experience in losing," she added. "I know that our girls feel the same way and we're anxiously waiting for next year when we can apply some of our experience. The level of competition out there was tremendous," she concluded.

Qualifying Test

The Officer's Qualifying Test for admission to the advanced Air Force ROTC program will be given at the UMES campus on Wednesday, February 21, in Kiah Hall, Room 104, beginning at 8:00 a.m. The test will continue until approximately 4:00 p.m. with a one-hour break for lunch.

Students planning to take the test are requested to inform either Mr. Bachman's office, Caruthers Hall, Room 23, or the AFROTC office at UMES (Ph. 651-2216) not later than Tuesday, Feb. 20. There is no charge for the test and students taking it are under no obligation to the Air Force or the AFROTC program. Excused absence from classes for those taking the test will be authorized by Dean Robinson's office as needed and should be requested prior to the test date.

The Officer's Qualifying Test is similar to the SAT but may be taken only once during a twelve-month period. The test is normally administered twice each year and was given on campus last semester in early December. Successful completion of the test, the subsequent physical exam, and the summer camp experience establish the student's eligibility to enter the advanced AFROTC program which begins with the fall semester of the junior year. Both men and women students are eligible for the program which offers a tax free subsistence allowance of \$100.00 per month during the final two years of college.

Further information is available either from Mr. Bachman or from the AFROTC Department at UMES.

First Homes Not Log Cabins

The first homes built by the colonists in St. Marys, Maryland's oldest settlement, were not log cabins, as is generally supposed, according to C.A. Weslager, visiting professor of United States History at Brandywine College, Wilmington, Del. The English settlers first lived in crude wigwams vacated by the Yoacomacoe Indians while they were building small frame cottages of the type they occupied in England. According to Professor Weslager, there were no log cabins in England, and the English settlers were not familiar with how to build them.

As Maryland grew, Swedes and Finns from the Delaware River Colony moved to Maryland, and there built log cabins patterned after the log houses in the Scandinavian countries. Germans who later settled in Maryland also built cabins, barns, churches, and schools of logs similar to log structures in Germany and Switzerland.

Professor Weslager, a specialist in the social history of the log cabin, will speak Monday March 5 at 7:30 p.m. at Caruthers Auditorium, SSC, under the auspices of the Eta Iota Chapter, Phi Alpha Theta, national honor society in history. His subject is "How About Living and Loving In A Log Cabin?"

Weslager is the author of fourteen books and more than a hundred historical papers, and has twice been cited by the American Association for State and Local History for his historical contributions. His book, *The Log Cabin in America*, published by Rutgers University Press will soon be issued in a second edition. The volume is available in an estimated 3000 libraries in U.S. and Europe. The speaker is listed in *Who's Who In The East*, *Who's Who In America*, *Dictionary of American Scholars*, and *Outstanding Educators of America*. He has taught U.S. History at Wesley College in Dover, Del., and also at the University of Delaware.

Applications may be obtained in the Musical Arts Center beginning Friday, March 9th until March 23rd. Applicants will not be accepted after this date. Tryouts for the Band Front will be held on Friday, April 6th ONLY from 4-6 pm with Dr. Jessie L. Fleming, Miss Janetia McNamara, Mr. Ray Zeigler, and Mr. Charles F. Smith, Jr. serving on the selection committee.

Interested persons are encouraged to "break out" the rusty batons over the Spring vacation and to return to SSC with the necessary dress and items for the tryouts. If there are any questions, contact Mr. Smith at the MAC or Robin Parker and Bonnie Hall.

Sociology Students Respond

Lynn Arnold, Jim Michael, Robin Hill and Sarah Hixson, representing the Sociology Club, screened a list of numerous prospects being considered for the departmental faculty. Factors considered were the areas of specialty, the avoidance of duplication, and what Dr. Shope calls "the balance of differences." Prospects were classified as first, second, or third choice, and included graduates from John Hopkins to the University of Southern California. Letters of invitation with requests for credentials are now being mailed.

SGA Heads Ride-A-Bike for Retarded

The Student Government Association of SSC is pleased to announce that it has been named as coordinator for the "Ride-a-Bike for the Mentally Retarded Day" in Wicomico County, on Sunday, April 8, 1973 with the raindate being April 15. This is being done in cooperation with the Maryland and Wicomico County Associations for Retarded Children and will be part of a state-wide project on that day.

Since this is a county-wide, community project, a great deal of help is needed to make it a success. More important is the need for people who are willing to get sponsors and ride a bicycle on April 8. Information and registration forms can be picked up in the SGA office in the Student Union. Won't you help the 130,000 retarded children living in Maryland? Ride a bike on April 8.

SSC has been awarded a plaque by the United Fund of Wicomico County for its ten years of participation in the payroll payment plan.

A Visit to Court

On Tuesday, Feb. 20, students from the Formal Organization Class (Sociology 312) and students from the SSC Sociology Club attended hearings of a number of juvenile court cases at the Wicomico County Court House in Salisbury. Robert Gross, President of the Sociology Club, led a discussion of the following items:

"Our legal system has been greatly criticized for its slow progress in dealing out justice, for its show of favoritism to the wealthy and its inhumane and unduly harsh treatment of the unfortunate.

"This, however, is only a small percentage that is presented and inflated by publicity and press.

"Granted, such behavior should not be condoned and should be corrected when found out, for no man or system is perfect; however, all is not as hopeless as we are led to believe. A perfect example of fair and equal justice was that handed out by Judge Richard M. Pollitt of the Wicomico County District Court here in Salisbury, when he gave judgment to a number of juveniles before his magistrate.

"We are fortunate to have such a man as Judge Richard M. Pollitt determine our mistakes and deal with the offenders through compassion, honesty and justice.

"Next time we take a look at our courts, let US not be too hasty to judge."

RIDE-A-BIKE To Be Held April 8

The Student Government Association of S.S.C. is coordinating a "Ride a Bike for the Retarded" to be held on Sunday, April 8, 1973. This is being done in cooperation with the Maryland and Wicomico County Associations for the Retarded and proceeds will benefit the 130,000 retarded citizens of Maryland.

The event will begin at 12 noon at Caruther's Hall and will follow a sixteen mile route. Riders will follow Loblolly Lane to Riverside Drive, from Riverside to Cooper, turn left on Ditchbank, turn left again on Walnut Tree Road, and follow Allen Road back to the college. Five checkpoints will be manned with refreshments being served at the middle checkpoint.

Interested students, faculty, or administration members are asked to find sponsors and ride on the 8th. There is no limit to the number of sponsors obtained or the number of miles ridden. Tell Your Friends

Space in the fall enrollment remains open for commuting students who are interested in attending Salisbury State College. Undergraduate degree applications for both freshmen and transfer students may be obtained from the Admissions Office, Room 10, Caruthers Hall. Decisions on applications are made as soon as all academic credentials are received and on file in the applicant's folder.

It may interest you to know that for the first time in the history of the college, the number of admitted men exceeds the number of admitted women. The ratio at the present time is 55% men to 45% women.

Erick Hawkins Here

The Erick Hawkins Dance Company will perform in Holloway Hall Auditorium Friday night, March 30, at 8:30 P.M.

Erick Hawkins is perhaps the most American dancer of our new American dance. Where his contemporaries have joined international cliques of art in an effort to refresh their ideas, he expresses the fierce individualism of America's pioneer spirit by continuing to demonstrate in his work that there is still something uniquely American to contribute to world culture.

Erick Hawkins and his group are on a three-day stay at Salisbury State. A lecture-demonstration was held last night and today classes taught by company members will be held at 9 A.M., 1 P.M., and 2 P.M. in Caruthers Hall. Any student can come on Friday, March 30, when the Erick Hawkins musicians will give a lecture on composing music for dance in the Music Bldg., Room 3, at 10 A.M. Mr. Hawkins will teach a master class at 11 A.M. on March 30 in Carther H Gym.

Bike Registration

Be sure that you register your bicycle on either Saturday March 31, or Saturday April 7. Registration will be held from 9-4 in Caruthers parking lot. We still need more help with this program, if interested contact Tom Taylor or stop by the S.G.A. office in the Student Union.

Election Reminder!

Don't forget to vote in the S.G.A. general elections on April 3 and 4. The SALISBURY STATE COLLEGE WEEKLY NEWSLETTER is published weekly for students, faculty, administration and staff as a communications medium under the direction of the Public Relations Office. Deadline for reception of news is Monday, Noon.

Competition Announced for SSC "Fight Song"

With the increase of athletic competition at SSC, especially the advent of inter-collegiate football, a need has arisen for a representative "Fight Song" which verbally and musically epitomizes the spirit of competition at all levels on and off our campus. This past year, a published version of the Kansas State University Fight Song served our immediate needs. It is time now, however, for an original composition, one that comes from within the SSC "family."

Therefore, a competition for the writing of the words and/or music of the Salisbury State College Fight Song will commence on Thursday, April 5, 1973 and will close exactly one month later, May 3, 1973 at 5:00 P.M.

Entry requirements for the Salisbury State College Fight Song competition are as follows:

1. Applicant must fill out and present an official entry form with the entry or entries. The necessary forms are available in the Public Relations Office in Holloway Hall and should be returned when completed to the same office.
2. Applicant must be a member of the Salisbury State College student body, staff, faculty, or an alumnus.
3. Applicants are encouraged to enter the phase of the competition most conducive to their capabilities. They do not have to submit both text and music together to be considered, nor will they be disqualified if they present a cohesive unit of words and music. It is conceivable that one entrant's music could be selected to accompany another entrant's text.
4. The text of the Fight Song should be representative of the following:
 - A. An historical and contemporary approach to the spirit of ALL athletic competition on and off campus, in its most vigorous as well as idealistic context.
5. The music of the Fight Song should:
 - A. Avoid the extremes in vocal range so as to create a melody singable by all voice types.
 - B. Utilize as nearly as possible a harmonic, rhythmic, and stylistic structure conducive to the requirements of the text and the nature of a Fight Song.
6. The deadline for applications is May 3, 1973 at 5:00 P.M.

A Fight Song Selection Committee consisting of Dr. Duane C. Nichols, English Chairman, Mr. Joseph Gilbert, Assistant to the President, Mr. Richard Yobst, Head Football Coach, Mr. Charles F. Smith, Jr., Director of Bands, Mrs. Marshall Moore, Alumnus, and Miss Ann Rapp, Student Government Association President will examine the entries and select the author and/or composers at a designated time following the deadline for entries.

Won't you contribute to the spirit of campus life at Salisbury State College by submitting your entry for the Salisbury State College Fight Song?

TIGER AT THE GATE TO PLAY HERE

On Sunday evening, April 29, the National Players will appear at SSC in Giroudoux's "Tiger at the Gate". The National Players, a well-known professional touring company, are based at Catholic University, will be making their initial performance here. Much respected across the country on college and university campuses, the company has been invited to perform at Kennedy Center in September.

"Tiger at the Gate" is an English adaption by the poet-playwright, Christopher Fry, of the French play 'The Trojan War Will Not Take Place' by Jean Giraudoux. As such, this version of the play combines the lyric eloquence of the British poet with the philosophical insight of the French dramatist. The result is a play of elegant thought and passionate ideas - yet, despite its serious story, a work of wit and humor.

This performance of 'Tiger' is under the sponsorship of the Committee on Arts and Lectures. Curtain time is 8:30 p.m. in Holloway Hall Auditorium.

FEEDBACK

The Social Welfare Policies and Issues class at SSC recently presented the college community with facts concerning the issue of Federal budget cuts, the dismantling of the Office of Economic Opportunity, and how these cuts will affect Wicomico County. After holding a meeting and passing out literature, we asked for their support in the form of signing a petition suggesting that a portion of the Revenue Sharing Funds be used to establish a community action agency to serve the poor, needy and disadvantaged in the community.

During our informal canvassing on April 5 and 6, we found that both faculty and students were generally uninformed about the problem. Our study revealed that the college community lacked information rather than concern. When given the facts, a majority (86%) of the 379 people surveyed were in favor of establishing a community action agency and demonstrated their interest by signing the petition. Only 14% were either opposed or not willing to commit themselves on a decision to use part of Revenue Sharing Funds to aid the needy.

Tony Bandyk, Sociology Professor, says: "Although we received significant support in the form of signatures, some people told us and many implied that they would not be able to offer other means of support either in time or money. It is appropriate to ask how realistic President Nixon's New Federalism is. Will it have the kind of involvement, participation and commitment from the citizenry which is essential to make the program operational?"

RECORD EXAM SET

Graduate Record's Examination will be held Saturday, April 28, in Caruthers' Gym from 8:30 a. m. to 5:00 p. m.

REMINDER

Any student interested in taking a course at another institution this summer should stop by Sallie Monior's office (HH 103) to make sure the credits will transfer.

Award Winners

Judith Ann Brown of Claymont, Del., and Karen Sue Musgrove of Derwood, Md., both of Salisbury State College, have been chosen winners of the Soroptimist Youth Achievement Award.

Melba Nelson, of the Youth Achievement Committee, states that the young people are recognized for their efforts of "unselfish service." These acts include qualities of Loyalty, Courage, Thoughtfulness, Good Citizenship & many others.

Miss Brown and Miss Musgrove received the award for their untiring work with a handicapped child. Because of the girls' devotion and willingness to serve, it appears that the child may eventually walk again.
